

Export Control Disclaimer

The use, disposition, export, and re-export of this property are subject to export control laws, regulations and directives that include but are not limited to: the Atomic Energy Act of 1954, as amended (42 USC § 2011 et seq.); the Arms Export Control Act (22 USC § 2751 et seq.); the Export Control Reform Act (50 USC 4801 et seq.); the Espionage Act (18 USC 792 et seq.); the Trading with the Enemy Act (50 USC 4301 et seq.); Assistance to Foreign Atomic Energy Activities (10 CFR Part 810); Export and Import of Nuclear Equipment and Material (10 CFR Part 110); International Traffic in Arms Regulations (22 CFR Parts 120 through 130); Export Administration Regulations (15 CFR Parts 730 through 774); Foreign Assets Control Regulations (31 CFR Parts 500 through 599); DOE Order 142.3B Chg. 1 , Unclassified Foreign National Access Program, March 2, 2022; DOE Order 550.1 Chg. 1, Official Travel, December 13, 2019; and DOE Guide 580.1-1A Chg. 1, Personal Property, December 8, 2021 which among other things, prohibit:

- (1) The making of false statements and concealment of any material information regarding the use or disposition, export or re-export of the property; and
- (2) Any use or disposition, export or re-export of the property which is not authorized in accordance with the provisions of this agreement.

An export control review was conducted on the following 231 property items. It has been determined that the property list does not contain any high-risk property, and the release of these assets would not adversely affect the national security or the nonproliferation efforts of the United States.
